STORY

*Axel Rose - Bounty Hunter, assassin, and a living legend in the making. Equal parts rugged and sophisticated, he's known for his razor-sharp instincts and an ability to get things done. But, he's also a man with a heart. He's not just a bounty hunter, he's a man who cares. He's a man who's seen the worst of the galaxy, but he's also seen the best. He's a man who's been through hell, but he's also been through heaven. He's a man who's been broken, but he's also been reborn. He's a man who's been lost, but he's also been found. He's a man who's been alone, but he's also been loved. He's a man who's been dead, but he's also been alive. He's a man who's been everything, and he's still going strong.
